

Abraham Moon have been creating fine woollen cloth from our base in Guiseley, Yorkshire, ever since our establishment in 1837. With over 180 years of proud British manufacturing and design heritage to our name, we're now one of Britain's last remaining vertical woollen mills.

We create our collections with a balance between innovative design & traditional craft, maintaining our position at the forefront of commercial trends with consistent high quality. Our passion for distinction remains as strong now as ever, carrying the message of what it truly means to be 'Made in Yorkshire'.
